.....There can be life after breast cancer. The prerequisite is early detection.....

**Dear Sir/Madam**

Breast cancer awareness is an effort to raise awareness and reduce the stigma of breast cancer through education on symptoms and treatment. The goal of breast cancer awareness campaigns is to aware the public for breast cancer, its detection, its treatment, and the need for a reliable, permanent cure.

Taken into account this increasing health issue among women in the society, with the consent of Hon'ble Vice Chancellor, the Department of Home Science has taken the initiative to organize a lecture on '**Breast Cancer Awareness: Need of An Hour**' on account of '**Breast Cancer Awareness Month: October**'. **Dr. B. Bakane** (M.B.B.S., M.S.), Professor and Oncologist from Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha will deliver a lecture.

This lecture will be beneficial for girl students, teaching and non-teaching ladies staff of various teaching departments and administrative offices of our university. To take the advantage of this lecture, I request you to kindly permit the girl students, teaching and non-teaching ladies staff to attend this programme.

**Date: 07/10/2016**
