Dear Dr. Vilas S. Sapkal

Please refer to our earlier communication regarding membership of "National library and Information Services Infrastructure for Scholarly Content (N-LIST)" for colleges affiliated to your esteemed university. I am pleased to inform you that besides colleges covered under 2(f) and /12(B) Sections of the UGC Act, N-LIST is now open to all govt.-aided as well as non-aided colleges except colleges imparting education in engineering, management, medical, nursing, pharmacy and dentistry. All Govt.-aided and non-aided colleges are now eligible to get access to more than 3,100 e-journals and 75,000 e-books through a server installed at the INFLIBNET Centre. At present, more than 1,960 colleges have registered themselves under the NLIST programme. Please note that annual membership fee for the NLIST Programme is Rs. 5,000 only. Enclosed please find a brochure on N-LIST with details of electronic journals and electronic books offered under this initiative.

As an esteemed university of high repute with several colleges affiliated to it, I request you to kindly instruct your affiliated colleges to join this initiative and get access to scholarly content including electronic books and electronic journals. Colleges may also register online by submitting the online registration form available at <http://nlist.inflibnet.ac.in/registeronline.php>. You are requested to give wide publicity regarding availability of electronic resources through this programme amongst colleges affiliated with your university.
