Subject: Information about Aided and Unaided Colleges of a State University 2015-16

Sir/Madam,

This is to inform you that, Rashtriya Uchchar Shiksha Abhiyan (RUSA), Mumbai has mandate on initiating reforms in higher education institutions in the state on quality, access, equity, autonomy and infrastructure and to facilitate the process, we are planning a round-table meeting to facilitate setting accreditation targets and prepare a roadmap for all participating universities and colleges.

To begin, there is a need to take stock of the current status of accreditation in universities and their affiliated colleges that are NAAC or NBA accredited or eligible.

However, one of the challenges we face is lack of information on large number of unaided colleges affiliated to State Universities. Some of them often continue running with poor or dubious standards and remain unaccountable to the state universities that affiliate them.

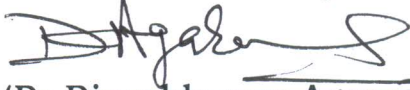

Therefore, in order to make the effective and productive, we seek your partnership in collating specific information about your colleges (both aided and unaided).

Please find attached a format to collate this information in the form of excel sheets to be filled-in and submitted by email and hardcopy to the Board of College & University Development, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur on or before 18th March, 2015 postivitly.

Thanking you,

Encl: Excel Format.

Yours faithfully,

(Dr.Dineshkumar Agarwal)
