**Subject- Prohibition of Cigarette and other Tobacco products.**

Respected Sir/Madam,

The Resolution passed by the 39th World Health Assembly (WHO), in its 14th plenary meeting urged the member states to implement the measures to ensure that effective protection is provided to non-smokers from involuntary exposure to tobacco smoke and to protect children and young people from being addicted to the use of tobacco.

The Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003 says- **No person shall sell, or permit sale of cigarette or any other tobacco product-**

- a) To any person who is under eighteen years of age, and
- b) In an area within a radius of one Hundred yards of any educational institution.

Therefore, you are requested to **display a notice** at prominent places to ensure that these instructions are followed stringently.

Thanking you,

Yours Sincerely,

Dr. Neehal R. Sheikh
