Dear Sir/Madam,

Our University has signed a MoU with Spoken Tutorial (ST) programme through which IIT Bombay is the Knowledge Partner of Rashtrasant Tukadoji Maharaj Nagpur University, to provide basic IT and Skill oriented IT/Software courses to students for Free of Cost.

This program is being implemented from the Academic Year 2016- 2017 in our university. For academic session 2017-18, each college should complete the planning and submit Spoken Tutorial Planning form available on University website at the earliest.

In case of any query please contact.

Next Steps To Be Done:

Head of the college/institution /department to identify one Faculty Coordinator to conduct training in their college/institution/department. Nominated Faculty Coordinator (FC) to complete the following activities.

- Fill the Monitoring and Tracking form available on the website.
- Complete the Registration. Click here for: [Faculty Coordinator Registration](#)
- Download Courses Material from our Website: [Course Download Link](#)
- FCs to upload the Master Batches. Click here for: [Master Batch Upload link](#)
- FC to fill the Semester Training Planner forms.
Click here for [Semester Training Planner \(STP\) link](#)

It is necessary that all the colleges/institutions/departments should introduce the training so that the students can benefit by getting jobs, learning advanced IT skills and improving examination performance.

Project website is www.spoken-tutorial.org

Further, all the colleges/institutions/departments are advised to Conduct LaTeX session for all Research Scholars in academic session 2017-18. Because, LaTeX is widely used in academia for the communication and publication of scientific documents in many fields, including mathematics, statistics, computer science, engineering, chemistry, physics, economics, quantitative psychology, philosophy, and political science.

Note: Those colleges/institutions/departments which have introduced the training in last session need not do the registration formalities again.
